Progress Status of Work

Status of Statistical Database, APM and Case Study Report

- Statistical database has completed except worksheet-6 (economics accounts for agriculture). Agricultural input part in this worksheet has not yet completed due to lack of FADN data access. The FADN data in Turkey has been collected for almost 10 years period, but it has not opened to use for researchers.
- Turkish Agricultural Policy Data by types of policy measures has inserted into APM template. PSE data from OECD sources for Turkish Agriculture has also obtained to insert in the APM.
- Relevant data, policy documents and reports on Turkish Agricultural Policy has gathered to writing country case study report according to the report outline.

Progress Status of Work

Preliminary results

- Relevant agri-food economics and policy **statistical data** for 2010-2019 period has collected, except agricultural input data in economic account worksheet. Some of the relevant input data such as fertiliser, feed, fuel and electricity from official sources have collected, but it has not fully completed due to non-accessibility to FADN data.
- **APM databases** for the period 2010 – 2019 has compiled, but it needs to be confirmed by experienced expert and need technical support for inserting PSE data.
- The first draft of **the case study report** will be delivered until 1 July.
