

“Cooperation with TAIEX”

Status

- Organization of TAIEX multi-country events has been stopped and respectively the realization of approved applications were delayed by the EC, due to the administrative procedures

Reason:

“EU assistance under the action can only be granted to an IPA II beneficiary after the framework agreement between the IPA II beneficiary and the European Commission on the arrangements for implementation of Union financial Assistance to IPA II beneficiary under IPA II has entered into force”.

Applications submitted and approved

- Producers Groups - legal framework, organization structure, roles, good practices (old application)

Status: *realization was postponed and the dates need to be defined (possible timeframe Q4 2016)*

- Multi-country Workshop on establishment and improvement of national registration systems in Balkan countries with focus on fruit and grape varieties and aligning with EU marketing requirements

Status: Organized in Skopje, Macedonia on 15-16 of June 2016

Proposed topics

- Organic agriculture – new EU regulation

Status: *application to be prepared; Responsible Ministry?*

- Definition of areas with natural constraints

Status: *application to be prepared; Macedonian Ministry took the responsibility*
