Bayerisches Staatsministerium für Ernährung, Landwirtschaft und Forsten

Methodology approach

1. Copy/paste approach from Rural Youth Survey
2. Keep the combination of methods (qualitative and quantitative approach)
3. Keep the part that worked and change the part which did not
 - more time for qualitative research?
 - face-to-face vs. online interview?

(maybe more detailed discussion tomorrow?)
4. Possibly supplemented by ethnographic/narrative research and case study approach
5. Sampling criteria: Farming vs. non-farming women
